

Smart Barcode I Pocket Scanner

In 2008 Arielsys Technologies took a powerful program written by our engineers and packed it into a world class scanner that is smaller than a packet of gum. In 4th quarter 2009, We have taken the next step, "Absolutely Incredible" describes our new AST Pocket Scanner I. The perfect solution for barcode scanning packed with great features, such as built-in memory, onboard intelligence to make instant judgments, no extra batteries to buy, onboard audible and visual indicators now wireless.

Call today for more information and see for yourself.

"The most Powerful barcode scanner shrunken to the size of a
flash drive + Wireless = "Your Barcode Solution"
